Field Day will be Friday, June 5th, for Tracks 3 and 4. Grades K-2 will be from 9:00 - 11:00 and grades 3-5 will be from 12:30– 2:30. This is a fun day for the students at Middle Creek. It is designed as a culminating Physical Education activity that allows students to use many of the skills we've developed throughout the year in Physical Education class.

**In order for the day to go smoothly, we need help from parents.** I plan to have 30 to 35 activities through which each child will rotate. The number of activities involved is determined by the number of parents who volunteer. Parent volunteers run each "center." If you can help, please fill out the volunteer form below and send it in to your child's classroom teacher who will then pass it along to me.

Please return the form as soon as possible. You must also be registered with the Wake County Schools Volunteer System.

The event is always a good time—with more volunteers it gets better and better. Any and all help is very much appreciated. Please fill out the form below and let me know if you can help for the morning session, afternoon session, or both! Volunteers will have a hour lunch break between sessions.

If you cannot volunteer, perhaps you can help in another way. Can you donate some of the much needed items that follow:

- **LOTS** of plastic/paper .5 – .8 oz. cups
- **We will not have snacks at Field Day. Please do not bring in snacks.**

- Any kind of tent or canopy that can provide some shade for students to cool off under.

If you have any questions please call me at 773-9569 or email me at:

Mtrobins@wcpss.net.

Thanks!!

Trey Robinson, NBCT
